So many young people are choosing gender transition that it is now affecting virtually every high school in the country - and primary schools as well. Our panel includes Fr Luiz Ruscillo (head of education for the Diocese of Lancaster), Revd Chris Newlands (Lancaster Priory and Church of England General Synod), Ken Wilkinson-Roberts (Lancaster University LGBT faith group), Kirsty Allan (Creative Wellbeing) and Dr Lewis Turner (Lancashire LGBT) who provides training and support services to Lancaster's schools, colleges and universities. Numbers have been doubling every year, and this is our chance to find out more.
